LET'S START BUILDING OUR PARTNERSHIP TODAY

Welcome to FLI

We are a third-party logistics coordinator and small employee-owned company that prides ourselves on providing quality service. Our company began operating in April of 2003. We are confident that we will be able to service your transportation needs in the most efficient, economic, and honest way possible. We feel our employees are the heart and soul of our organization, and we take great pride in providing them with a stable, productive work environment. Our number one priority is to provide premium transportation and logistics coordination services for both our customers and carriers. To accomplish this, we have a qualified staff of 30 employees that specialize in either carrier relations or customer relations. Our company is built on a tradition of trust and respect. We understand that our success depends on the satisfaction of our customers, and we always go the extra mile to ensure that their needs are met. Our Carrier Representatives communicate daily with our extensive carrier base to book, load, and track shipments throughout the United States and Canada. All of us here at Freight Logistics are committed to solving all your transportation needs.
